

This size chart will assist you in determining the size linens you need to order. Choose the size of the table

 <p>72" Round Table</p>	<ul style="list-style-type: none">• 132" round linen will hang to the floor. Recommended for formal events.• 120" round linen will create a 24" drop over the table.• 108" round linen will create an 18" drop over the table.• 90" round linen will create a 9" drop over the table. Sheer or solid 90" round looks great over 132" basecloth.• 60" square linen makes a decorative frame for your centerpiece.
 <p>60" Round Table</p>	<ul style="list-style-type: none">• 132" round linen is long enough to create a slight puddle on the floor.• 120" round linen will hang to the floor. Recommended for formal events.• 108" round linen will create a 24" drop over the table.• 90" round linen will create a 15" drop over the table.• 60" square linen is a decorative tabletop cover that will reach the edge of the table.

54" Round Table

- 120" round linen is long enough to create a slight puddle on the floor.
- 108" round linen will create a 27" drop over the table.
- 90" round linen will create an 18" drop over the table. This is a great length to add a 120" round basecloth for a beautiful layered effect.
- 60" square linen creates a decorative tabletop with a 6" drop over the side. Basecloth recommended.

48" Round Table

- 108" round linen will hang to the floor. Recommended for formal events.
- 90" round linen will have a 21" drop over the side.
- 60" square will have an 8" drop over the side.

36" Round Table

- 108" round linen is long enough to create a puddle on the floor.
- 90" round linen will create a 27" drop over the side.
- 60" square linen will create a 14" drop over the side.

30" Round Table

- 90" round linen is the perfect length to hang to the floor.
- 60" square linen will create a 17" drop over the side.

Cocktail Table

- 132" round linen covers the entire table and is the perfect length when cinched with a sash in the middle. Recommended for formal events.
- 120" round linen covers the entire table and hangs to the floor. Recommended for formal events.
- 90" round or square sheer is a classy embellishment to your cocktail hour. 120" round basecloth recommended.
- 60" square sheer over a 120" round basecloth looks great as these smaller overlays hang beautifully down over the side of the table.
- Tableforms, available in several colors, are a great alternative to a basecloth and are made specifically for this size cocktail.

8' Banquet Table

- 132" round linen makes a great flounce over a 90" x 156" conference basecloth. Let it embellish your buffet table by sitting on top or hanging over the edges.
- 120" round, 108" round, 90" and 60" also make decorative top cloths that can be folded, flounced or laid flat over a basecloth.
- 90" x 156" conference cloth is the ideal size to fully cover your banquet table. This cloth will hang to the floor on all sides.
- Stretch tableforms are available in this size.

6' Banquet Table

- 132" round linen will fully cover this table, with two sides being puddled under the table.
- 60" x 120" rectangular linen creates a drop over the side that hangs close to the floor. Great for casual dining.
- 90" x 156" conference works well to fully cover the table. This tablecloth can be folded once so all sides hang perfectly to the floor or the ends of the table will have a slight puddle.
- Stretch tableforms are also available to fit this table.
